UNDERSTANDING THE WORLD (Science/History/Geography/RE)

We will be exploring seasonal changes and weather. We will discover the hot and cold areas of our world and be finding out about animals, linked to our stories, such as, hedgehogs, owls, polar bears and penguins. In history, we are going to find out about significant people that have made big differences to our world and discover past and present Christmas traditions.

RE: Introduce core values, Love and Community.

Explore why 'God' is so important to Christians and why Christians perform nativity plays at Christmas.
