Project Home Learning: Badger Class

Country Comparison – Terms 5 and 6

Please complete as many of these as you would like and share your wonderful learning on your Class Dojo page

Have a go at designing and making your own carnival mask. Think about how you could make it, bright, bold and colourful. How is your mask going to stand out from the crowd? 	Design a boat or another method of transportation that Baron von Stripe could use to get to different countries. Think about what materials you could use around your home, does it float? Is it strong? Have a go at testing them. 	Create the flag of each country we are studying using different styles and materials. You could use Lego or make a collage. Get creative with your choice of materials. Maybe use a different material for each flag. 	On a map of the UK can you find all of the different modern counties? Have a go at writing lyrics to a song or create an acronym to help us remember all the different modern counties in the England.
Have a go at making some Brazilian chocolate truffles https://www.bbcgoodfood.com/recipes/brazilian-chocolate-truffles-brigadeiro 	Write a holiday leaflet for either Iceland, Brazil or the UK. Include things you can do and sights you could see! 	Have a go at making Icelandic Thunder bread Icelandic Thunder Bread (Steamed Rye Bread) Recipe Have a look at the amazing way it is baked in Iceland, Hint: it isn't in an oven!	Research landmarks in each country being studied (England, Brazil and Iceland). Can you create your own set of Top Trumps?
