

Badger Class Year 5 – Project Home Learning for Terms 1 and 2

Grime, Grit and Great Inventions

Please complete as many of these as you would like and share your wonderful learning on your Class Dojo page.

Sketch a portrait of Queen Victoria 	Research a Victorian invention. Then deliver to your family a Dragon's Den style pitch for your chosen Victorian invention. You could record it and share it with the class. 	Create a silhouette self-portrait. 	Look at the name of the street that you and your family live on. Use the internet to research how old the street is, are there any Victorian buildings near you? 
Design a poster to convince Victorian children to visit Weston-super-Mare for a holiday. Why do you think they should come? What was here in the Victorian era that they would enjoy? 	Poorer Victorian children often had some awful jobs and working conditions. Can you research a Victorian job role and then write an advert for a child to fill it. 	Research some games played by Victorian children. Have a go at teaching them to and playing them with your family. 	Have a go at some Victorian cooking.
